

Children's Ministry Institute

Preparing Leaders for Strategic Ministry to Today's Child

The *Children's Ministry Institute (CMI)* of *Child Evangelism Fellowship (CEF®)* provides college-level, specialized training in children's ministries not found in Bible colleges or Christian universities.

The institute offers training to disciple and equip teachers to minister to children more effectively. *CMI* also provides leadership development with insights into understanding, evangelizing, and discipling children through a variety of methods and programs.

CMI is for young people starting out in their careers. *CMI* training is also for anyone who wants to improve their ministry. Likewise, the training helps people who are changing their career to ministry.

Due to *CMI's* quality program and solid doctrine position, numerous accredited colleges in the US and Canada offer academic credit for *CMI* training. *CMI* is also a recognized provider of Continuing Education Units (CEUs) by the Association of Christian Schools International.

A Master Teacher Certificate is available online. *CMI* also offers a free online, three-week training course, *Romans Road for Children*.
