## **U-NITE TV**®

A Christian platform for KIDS, both SAFE & FREE

On *U-NITE TV*, God's Word is shared in a fun, engaging way to help children understand and apply biblical truths to their lives.

Streamed animated adventures teach truths from the Bible, music videos to learn and memorize God's Word, and stories that clearly teach the Gospel.

You can stream or download available content with no subscription required. Watch all the content FREE forever. The library includes Good News Club  $TV^{TM}$  and Good News  $Radio^{TM}$  along with over 200 videos, missionary stories, Bible lessons, Gospel films, and much more available at no cost.

For example, in the *Chin Up* video, kids are challenged to not only work out their physical muscles to grow physically stronger, they are taught and encouraged to build up and strengthen their faith in the Lord.

**Parents,** if you're concerned about the online influences your children encounter, here's a SAFE, FREE Christian video platform for kids, a ministry of *Child Evangelism Fellowship*.
